

Subject: Delivery Update: Laptop Repair Delay

Dear Mr. López,

I hope you are doing well. I am writing to update you on the repair of your laptop. Unfortunately, the replacement motherboard we received from our supplier was defective and cannot be installed safely.

To ensure that your laptop is repaired properly and meets our quality standards, we have already ordered a new replacement part. For this reason, we must postpone the delivery date by approximately three business days.

I apologize for the inconvenience and appreciate your patience. We will contact you immediately once the new part arrives and the repair is complete. If you have any questions, please don't hesitate to contact me.

Best regards,

Saúl Abraham Arana Calderón
